

Greetings.

Warm wishes to you and all the best this holiday season.

On December 5th 2022, the Alys Beach Neighborhood Association (ABNA) Board approved the calendar year 2023 budget. The 2023 budget reflects the funding needed to maintain the high level of Alys Beach services currently provided, protect the quality and character of Alys Beach, grow property values, and provide our homeowners with a superb ownership experience.

On December 14th, 2022 the ABNA Board held a budget presentation to review the details of the budget with homeowners.

To continue collaboration and transparency, 2023 ABNA budget questions from members have been compiled, and answers from the ABNA board and the Rizzetta management company are being published for the benefit of all members.

Our goal is to ensure that your questions are answered so that we can move forward with the 2023 ABNA budget as approved on December 5th. If you have additional questions or feedback or if a question you posed is not addressed, please email Claire Wright at Claire@alysbeach.com.

Kindest regards,

Tess Howard
Alys Beach Neighborhood Association Board President
